				☐ Yes ☐ No	☐ Yes ☐ No

**Calculate miles driven between fill ups by using start and stop odometer readings or trip meter.*

You may submit a contest entry form for each month you track your gasoline use, mileage, and tire pressure checks through May of 2014 *(maximum of four entries possible)*. The purpose of the contest is to get you into the habit of performing at least monthly tire pressure checks to save gasoline and money, for safer driving and to improve air quality through reduced vehicle emissions.

You will be contacted via the information below if you win a prize. This information will not be used for any other non-related purpose.
