

On December 11, 2009 the Pima County ONESTOP Career Center and the Pima County Workforce Investment Board (WIB), in Tucson, AZ hosted an Employer Appreciation Meeting. The event focused on providing information about the ONESTOP and the WIB to employers, business and community leaders to raise their awareness of services provided, the WIB's mission, updates on stimulus funds, the WIRED Grant, grants applied for/pending/granted, "Green Jobs", logistics, solar technology, training, outreach, and job placement. A knowledgeable panel of ONESTOP and WIB members presented information and answered questions.

Three hundred (300) employers and business/community leaders were invited. The response to and attendance at the event was impressive. Those in attendance were presented with framed "Certificates of Appreciation" recognizing their support of our organization. For those who were unable to attend, members of the ONESTOP Outreach Team will deliver their certificates and personally thank employers, business and community leaders to let them know how much their support is appreciated and valued. The feedback has been very positive and they were appreciative of the information provided and recognition they received.
