
Subject: Pima County Wireless Integrated Network (PCWIN) Project Manager Spending Authority	Policy Number	Effective Date
	F2	April 26, 2007

Policy:

The PCWIN Project Manager is granted the authority to:

- A. Authorize purchases of services or equipment where the purchase is less than five-thousand dollars.
- B. Authorize purchases of services or equipment greater than five thousand dollars if provisioned within an existing contract or was otherwise approved by previous action of the Executive Management Committee.
- C. Approve tenant relocation, property management and operations and maintenance expenditures necessary to prepare County facilities for future use as a communications center and emergency operations center.
