**Re: Joint Meeting on the County Bond Advisory Committee Recommended May 2004
Bond Program**

Dear Chairwoman Juan-Saunders:

In a letter dated December 4, 2003, Mayor Walkup requested a joint meeting of the Board of Supervisors and Tucson Mayor and Council to discuss the May 2004 bond program recommended by the County Bond Advisory Committee. At the meeting of December 9, 2003, the Board voted unanimously to refer the question of a joint meeting to the County Bond Advisory Committee for their recommendation. We referred this question to the Committee out of deference to the Committee for its hard work.

The Committee met yesterday to consider the issue of a joint meeting. The Committee's unanimous decision was that the Committee would host a joint meeting of the governing bodies of all local jurisdictions, with the purpose of allowing the Committee to present its recommendations to the local elected officials, facilitate a public dialogue between elected officials, and solicit support from the officials for the recommended bond program. The Committee was concerned that there would not be enough time for the Board of Supervisors to call the meeting because its next meeting is not until January 13, 2004 and a decision on the bonds must be made by January 20, 2004. The Committee determined that an evening meeting on January 14, 2003, from 7:00 p.m. to 9:00 p.m., would be preferable, since more people could attend an evening session prior to the January 20, 2003 Board of Supervisors meeting. The meeting will be held at the Manning House.

I believe that the Committee has made a valuable and constructive offer. I am writing to invite you and the City Council to this meeting.

Sincerely,
