Re: **Pima County 2004 Bond Election**

Dear Mr. Bustamante:

Supervisor Ann Day reported that the Northern Pima County Chamber of Commerce Subcommittee voted to support the six questions that will be before voters on May 18, 2004. Supervisor Day suggested that I forward to you some recent correspondence that has been provided to a number of community interests who have expressed concerns and/or raised questions regarding the bonds. The referenced correspondence is enclosed for your information.

I am also enclosing a few maps showing the general geographic location of all of the projects contemplated in the six bond questions, as well as summary sheets for the Public Facilities and Parks questions. We will have additional summary sheets for the remaining questions in the very near future. If you would like to have copies of those, I would be happy to forward them to you.

Sincerely,

A handwritten signature in cursive script that reads "C. Huckelberry".

C.H. Huckelberry
