Re: **May 2004 County Bond Election**

Dear Mr. Edison:

I have recommended to the County Bond Advisory Committee that two projects proposed by the Arizona Sonoran Desert Museum be funded. These are \$1,100,000 for the educational auditorium, and \$200,000 for the wastewater and/or gray water reuse system. The County Bond Advisory Committee will deliberate on the request of various jurisdictions, County departments and entities, and make a recommendation to the Board in early December. It is anticipated the Board will act in mid to late January of 2004 on whether or not to call a special bond election for May of 2004.

Sincerely,
