**Re: May 2004 General Obligation Bond Election**

Dear Mr. Ryan:

I have recommended that \$1 million be provided to the Arizona Aerospace Foundation for construction and expansion of a hangar to house the SR-71 Blackbird. The County believes it is essential to support the expansion and development of the Pima Air and Space Museum. The recommendation I have made to the County Bond Advisory Committee will be acted on by the Committee in early December, 2003. I would anticipate the Board of Supervisors will act on the recommendations of the County Bond Advisory Committee in January of 2004 to determine whether or not they believe it is appropriate to call for a special election in May of 2004 to consider the various projects and programs recommended by the Pima County Bond Advisory Committee.

Sincerely,
