Re: **Materials for the November 21, 2003 County Bond Advisory Committee Meeting**

Dear Mr. Elias:

Enclosed please find materials for the November 21, 2003 meeting.

1. Agenda
2. Summary of the November 14, 2003 meeting
3. The project matrix report requested by the Committee

I have also included a memo from the County Administrator on "Open Space Bond Propositions Throughout the Country," which provides some analysis of the Wall Street Journal article Larry Hecker brought to our attention.

We did not have time to check with everyone on the choices for Monday's lunch, so we made the following choices, beef enchiladas or chicken picatta; rice pilaf and seasonal vegetables; green salad with dressings; and fresh fruit plate and lemon squares.

Please call me with questions at 740-8661.

Sincerely,

A handwritten signature in black ink, appearing to be "J.T. Barry", written over a horizontal line.

J.T. Barry
