Re: **Ward 3 Bond Project Maps**

Dear Council Member Dunbar:

Enclosed please find more accurate Ward 3 maps. The first is a map of 1997 improvements that are within or immediately adjacent to Ward 3. I have, as you noticed, put the actual amounts on the neighborhood reinvestment grants that have been allocated within Ward 3, as well as housing reinvestment grants.

I am also providing you with a copy of proposed 2004 bond projects. Please note, for the park improvements within Ward 3, that the amounts and purposes for which the funds are to be spent were designated by City staff.

I would be happy to discuss with you at any time, either 1997 bond projects or those bond projects that are expected to be completed within Ward 3 in the 2004 May bond election.

Sincerely,

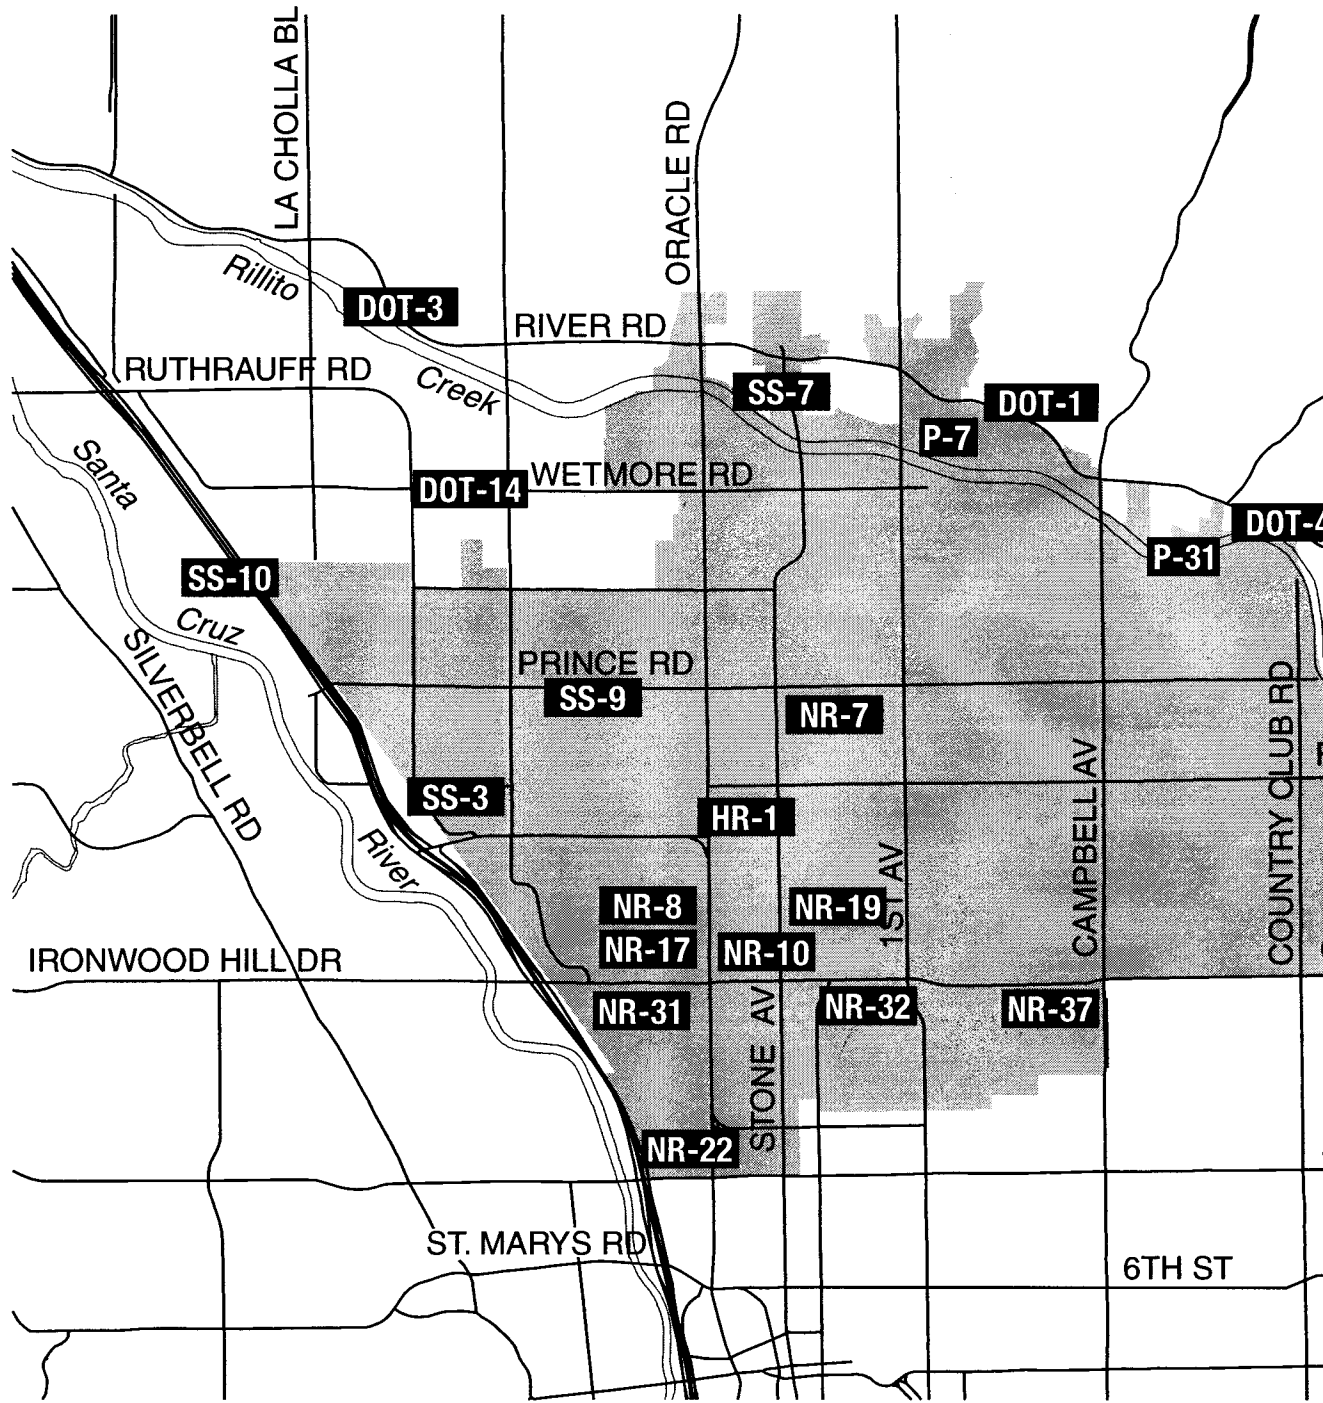

A handwritten signature in cursive script that reads "C. Huckelberry".
