Re: Future Sewer Revenue Bond Election

The Bond Advisory Committee had previously recommended that a sewer revenue bond election for \$565 million be held in November 2009. At the meeting this morning, and after reviewing the April 22, 2009 memorandum provided to them on the issue of timing of a sewer revenue bond election, the Committee voted to defer the election to November 2010. This is the same election date the Committee recommended previously for the next general obligation bond election.
