Detour Alert: State Route 86 in the Town of Sells

Tucson, Arizona - The Arizona Department of Transportation (ADOT) has placed a $\frac{3}{4}$ mile detour on State Route 86 in the Town of Sells, due to a road washout. Westbound traffic is being detoured to the south at milepost 114 along the roads leading to the Police Department and Sells Hospital. The detour then loops back onto State Route 86. Eastbound traffic is being detoured in the opposite direction.

The detour is expected to be in place for two to three weeks while construction crews repair the road.

Motorists are advised to obey all posted speed limit signs and detour routes while traveling through the area.
