PIMA ANIMAL CARE CENTER CONTINUES SPECIAL RATE ON ANIMAL ADOPTIONS

Tucson, Arizona - The Pima Animal Care Center, located at 4000 N. Silverbell Road, will continue its reduced rates on adoptions through the month of September. The cost to adopt a dog, puppy, cat or kitten will remain only \$40.00 (plus the cost of the license for dogs over 3 months old).

Since the Animal Care Center held its "Breakfast at PACC", more than 530 animals have been adopted. "Even with all these pets finding new homes, the number of animals housed in our shelter continues to stay steady," said Kim Janes, Division Manager of the Pima Animal Care Center.

To insure the health of your pets, keep current on all vaccinations before introducing a new animal into your household. Dog owners should use caution when exposing their pet to places where dogs congregate (e.g. pet shops, parks, puppy classes, obedience classes, doggy daycare, and grooming establishments) until the animal has completed its series of vaccinations.

PACC shelter hours are; Monday –Saturday, 10:00 a.m. – 5:00 p.m. and Sundays, noon – 4:00 p.m. The shelter is closed on holidays.
