

The Limberlost Neighborhood Assn. has been working for the past several months to upgrade their community park located at 4th Ave. and Limberlost.

They have installed new playground equipment and are currently working on more upgrades to the facility. In the near future it will come before the City Council to be renamed from the Don Himmel Park to the Limberlost Family Park.

They are currently looking for the following items/services and if you know of anyone or somewhere where they can get these materials, services etc., please contact Caz Robbins, the neighborhood president at czr00@aol.com.

- 55 Gallon drums
- Fill Dirt
- Pressure Washing (of picnic tables)
