Outside Agency

**Priority Needs**

The Outside Agency Community Advisory Committee's 2008-2009 Priority Needs are listed below.

a) Basic Needs

- Decent housing/shelter that is safe and affordable (less than 30% of household income)
- Food security: ensure access to affordable, nutritious foods which meet dietary and health needs
- Clothing: assist people who are otherwise unable to financially afford suitable clothing for their needs when seeking/maintaining employment and attending school.

b) Access to Services – Transportation Assistance

Help individuals get to services either through public transportation or other transportation assistance with the focus to serve people in rural areas of Pima County.

c) Services to Rural Communities

Services provided to people living in unincorporated areas of Pima County who also meet the other priority needs.

d) Services for Low Income Individuals

The definition for low income follows the HUD guidelines for low and moderate income families.

e) Self Sufficiency

Education and skill building and supportive service for the purpose of stabilizing people in transition to independent living.
