- I. **Call to Order** – at 3:38 p.m. Vaughn Croft chaired the meeting.
- II. **Action Item:** Fran Senechal moved to approve the June and August 2011 meeting minutes. Laurie Vance seconded the motion. Motion approved unanimously.
- III. **Discuss Youth Council Engaging Employers and Industry Sectors Projects Update**
  - Industry Sectors Project
  - Engaging Employers Project – Dana Katbah and Amanda Kucich will meet with Jim Mize to find out which businesses the One-Stop has been contacting for the Summer Youth Program.
- IV. **CAID Presentation** – *Laurie Vance*

Laurie gave an overview and tour of CAID. CAID started in 1947 and will be 65 years old next year. The business was first located in the downtown area. They moved to the Ganley Road location in the 1970s. There are five buildings and 220-230 employees at the site. They also have a site in Chile. Staff included: engineers, technicians, design detailers, programmers, project managers, certified welders, metal fabricators, painters, machinists, and support personnel. Type of projects include: structural steel erection, tank fabrication, ventilation work, and sheet metal work. Their products are sold and shipped worldwide. Website: <http://caid.com>.

- V. **Discussion on Sub Committees** – Vaughn suggested forming two sub committees. Committee 1- Business/employer Campaign for finding employers to partake in the summer youth program, and Committee 2 – Identifying Youth Service Providers to explore ways to collaborate and leverage funding and resources. Members are to let Vaughn know if they are interested in any of these committees. There was a suggestion to have a website containing details about the Youth Council and other youth programs/partners in the community.
- VI. **Next Meeting** – November 8, 2011. Vaughn asked for volunteers to host the next meeting.
- VII. **Adjournment** – 4:48 p.m.
