BARRIO SAN ANTONIO NEIGHBORHOOD IMPROVEMENTS DEDICATION

Saturday, November 12, 2012 · 10:00 AM · San Antonio Park

Join the families of Barrio San Antonio in dedicating and celebrating new enhancements throughout their neighborhood, including curbing, sidewalks, and crosswalks; a minipark and water harvesting cisterns at Mission Linen; traffic mitigation chicanes and flood control improvements; and a new shade structure and bench made by artists from BICAS at San Antonio Park.

These improvements are made possible by the Pima County Neighborhood Reinvestment Program, and were completed through a partnership with the City of Tucson Departments of Transportation and Parks & Recreation.

This event will take place at San Antonio Park (on the southwest corner of 14th Street & Santa Rita Avenue). Refreshments will be provided in part by Tooley's, a local cafe located in the neighborhood.

Special thanks to the City of Tucson Departments of Transportation and Parks & Recreation, the Drachman Institute of the University of Arizona College of Architecture and Landscape Architecture, Mission Linen, BICAS, and Tooley's for their collaborative support.
