

Environmental Services Directory

PDEQ's Environmental Services Directory is composed of two parts. The first part is a listing of companies under the primary service they provide. The second part lists the companies alphabetically with specific company information and other services provided.

Key to Services

AL	Analytical Laboratory	OSD	On-Site Disposal Systems
AQ	Air Quality	PCE	Pollution Control Equipment
AR	Asbestos Remediation	PPE	Personal Protective Equipment
CO	Certified Operators	PWH	Potable Water Haulers
DC	Dust Control	RC	Recycling
DW	Drinking Water	SC	Sewer Collection Systems
EC	Environmental Consultants	SMP	Sampling
ECS	Environmental Site Assessment	SV	Support Services
GE	Geology	SW	Surface Water
GW	Ground Water	THW	Transportation of Hazardous Waste
HWD	Hazardous Waste Disposal	TRN	Training
HY	Hydrology	UST	Underground Storage Tanks
IAA	Indoor Air Assessment	WDC	Wildcat Dump Cleanup
MW	Medical Waste	WDT	Water Distribution & Treatment Systems
MS	Mold Sampling/Investigation	WW	Waste Water

Information provided through the Pima County Department of Environmental Quality (PDEQ) is supplied by the businesses listing the services. PDEQ in no way warrants the accuracy of the service description or the sustainability for a particular use; nor does PDEQ endorse, recommend, or guarantee the regulatory compliance of any business or operation listed. It is the legal responsibility of each party to ensure that hazardous wastes and air quality are managed in accordance with all relevant statutes and rules. PDEQ reserves the right to not list a service, to remove a service from the list, or to edit information provided by the listing party.

Note: Businesses wishing to be listed should contact either the Waste Programs Coordinator or the Business Assistance Program Coordinator, both of whom may be reached at 520-740-3340.
