C. H. HUCKELBERRY
County Administrator

Fellow County Employees,

This year's Pima County Employees Combined Appeal Program (ECAP) workplace giving campaign is underway. Through the generous contributions of Pima County employees, over \$480,000 was raised toward this annual effort last year.

ECAP solicits participation from employees to give back to our community. Even a small bi-weekly donation goes a long way toward helping those in need. Through payroll deductions or a one-time donation, you can make a difference in the community and give hope to those less fortunate.

Over 275 member agencies are funded by ECAP contributions. These include social service agencies that provide assistance to youth, seniors, feeding the hungry, health care organizations, domestic abuse victims, the working poor, animal welfare and rescue groups, and many other worthwhile causes in our community.

The ECAP annual appeal comes at a time when the economic outlook appears bleak and many are struggling to make ends meet. Given the current economic climate, our local charities are struggling with an increased demand for services and a decrease in donations. Now more than ever these organizations need your help to provide for those in need.

Because of your continued support, we are able to provide on-going financial assistance to those in need in our community. Your entire donation, 100%, goes directly to fund the ECAP agencies of your choice.

I encourage you to give generously this year, and make a positive difference in the lives of those less fortunate individuals in Pima County.

Thank you for your generosity.

Regards,

Chuck Huckelberry
