 carpool vanpool _____

Please complete and return to:

Karen Wilhelmsen

PDEQ,

Travel Reduction Transportation Coordinator

150 W. Congress Street, 1st Floor

A taxi voucher for emergency use only will be sent to you as soon as possible.

Guaranteed Ride Home Program

If you drive alone to work for fear of needing your vehicle in case of an emergency, here's a way out: The Pima County Travel Reduction Program offers alternate mode users a free ride home in case of an emergency where you need to leave work quickly.

How Does It Work?

County employees are eligible to participate in the program if:

1. You use an alternate mode of transportation at least twice a week;
2. You have an emergency (illness, repairs, unscheduled work meeting, unscheduled overtime, or family emergency); and
3. You have registered with the Travel Reduction Program to participate in the Guaranteed Ride Home Program.

To sign up for the program, complete the application to the left, and send via interoffice mail to Karen Wilhelmsen, Travel Reduction Transportation Coordinator at PDEQ, 150 W. Congress St, 1st Floor.

A taxi voucher will be sent to you once the application is received. When/if you use your taxi voucher, notify Karen for a replacement, otherwise one will be sent to you after the invoice is received about a month later. There is no limit to the number of vouchers you use, but the taxi-company will not accept the voucher without your supervisor's signature and a brief description of the emergency.

Why Should I Bother?

Because driving vehicles less means more healthy air! About 60% of Tucson's air pollution comes from using motor vehicles. To help reduce air pollution, Pima County encourages employees to use alternate modes by subsidizing the cost of employee bus passes, discounting parking for carpoolers at County lots, and provides bike lockers at a low rate. Do your share for clean air! Use alternate modes!

For more information on what you can do to save money and reduce air pollution, contact Karen Wilhelmsen, Transportation Coordinator for Pima County at 740-3345 or karen.wilhelmsen@deq.pima.gov
