Re: JobPath Funding

The Chairman of the Board recently discussed with me the status of JobPath funding and how funding for JobPath would be developed through TREO for fiscal year 2009/10. Will the cuts made last year in the County TREO contribution of \$167,950 continue into fiscal year 2009/10, or will those funds be restored and the overall amount of County support reduced by 10 percent?

Please determine from TREO their intent regarding funding the JobPath program and in what amount they anticipate funding JobPath for next year. Please expedite your inquiry as advance budget planning is needed to absorb whatever budget reductions will occur in this area.
