

Board of Supervisors Memorandum

August 17, 2009

Tax Levy and Rate Adoption

Background

State statutes require the Board of Supervisors to levy property taxes on or before the third Monday in August each year. Attachment A is the proposed Pima County resolution for the levy of the tax for fiscal year 2009/10, which includes the levies for fiscal year 2009/10 of various taxing jurisdictions within Pima County. Of the 92 separate levies proposed for adoption in Attachment A, only four are controlled by the Board of Supervisors: County Primary, County Debt Service, County Free Library District, and the Flood Control District. The remaining 88 levies are set entirely by other elected governing bodies or result from the requirements of state law. The Board of Supervisors' statutory role in adopting these property tax levies for other jurisdictions is ministerial only and the Board has no authority to change the amounts of the various levies that have been transmitted to the County.

Included with the levies are the relevant valuations and the resultant tax rates. Most valuations are provided by the Clerk of the Board of Supervisors' July 29, 2009 Abstract By Legislative Class For All Values. However, primary tax levies and rates of Pima County, Pima Community College, the City of Tucson, and the City of South Tucson are based on valuations approved by the Property Tax Oversight Commission on April 28, 2009, in compliance with ARS §42-17052. These valuations reflect reductions in property values resulting from the recent property tax litigation settlement with Cox Arizona Telecom, Inc.

It is of note that the State Equalization Tax Rate (SETR) was suspended for fiscal years 2006/07 through 2008/09. There are discussions in the State Legislature about either continuing to suspend the SETR or permanently repeal it. As directed by the Joint Legislative Budget Committee, at this point we are including a tax rate of \$0.3306 for the SETR. This may, however, be changed at the last moment.

The Pima County Primary and Secondary tax rates (per \$100 of assessed valuation) for last year and this year are shown in the table below, as well as the corresponding tax levy for this year. For a comparison of Pima County Primary and Secondary rates from fiscal year 2000/01 through proposed fiscal year 2009/10, please refer to Attachment B. Attachment C provides a summary of primary and secondary rates by school district. Attachment D is a comparison of fiscal year 2008/09 tax rates to the proposed fiscal year 2009/10 tax rates by school district and for the special districts.

Total County	\$4.6702	\$4.5917	\$421,215,161

The fiscal year 2009/10 Pima County levies reflect Board action at the July 28, 2009 adoption of the County's budget directing the levels of tax rates. The impact of the Board's action on that date and a slight decrease in the Fire District Assistance Tax result in a total County tax rate of \$4.5917, which is \$0.0785 lower than the fiscal year 2008/09 total of \$4.6702.

Recommendation

It is recommended the Board of Supervisors approve the levies for all taxing jurisdictions within Pima County as described in Resolution 2009-212.

Respectfully submitted,

C.H. Huckelberry
County Administrator
