

Code: 1194

Title: OFFICE SUPPORT SUPERVISOR

SUMMARY: Supervises, trains and evaluates office support staff. Participates in the production activities of the work unit and has authority to alter procedures or work sequences of the work unit.

DUTIES/RESPONSIBILITIES: (Work assignments may vary depending on the department's needs and will be communicated to the applicant or incumbent by the supervisor)

Supervises and coordinates office support staff, determines work priorities for the unit, assigns work to ensure timely workflow, and participates in production activities of the work unit;
Evaluates employee performance, makes recommendations on hiring, termination, and related personnel activities and initiates progressive discipline process as necessary;
Develops and conducts training programs for unit employees;
Identifies operational problems and develops and implements new or revised procedures;
Ensures appropriate procedures are followed in a timely manner and within regulatory compliance guidelines;
Supervises service activities, provides requested and specialized information according to established department policy and resolves problems and complaints which cannot be resolved by staff;
Prepares correspondence and reviews work unit correspondence for accuracy;
Coordinates unit activity with other departmental sections or divisions and with other county departments or outside agencies;
Evaluates automated information system applications, products, and programs for unit use, maintains and participates in database input and retrieval, and assists information services staff in resolving production difficulties;
Compiles statistical and operational data and prepares periodic and special reports;
Establishes filing procedures and supervises maintenance of unit files;
May participate in unit budget preparation and monitoring.

KNOWLEDGE & SKILLS:

Knowledge of:

- principles and practices of supervision and training;
- standard office practices and procedures;
- business English, spelling, grammar and arithmetic;
- applications of automated information systems;
- a variety of standard and automated filing practices and procedures;
- laws, rules and regulations applicable within work unit.

Skill in:

- supervising, training and evaluating staff;
- planning, assigning and reviewing the work of staff;
- developing and implementing new or revised operating procedures;
- use of automated information systems;
- database management, calculations, account reconciliation, word processing and/or billing;
- communicating effectively;
- compiling data and writing reports;
- establishing and maintaining filing systems.

MINIMUM QUALIFICATIONS:

Four years of clerical experience, which includes one year performing lead or supervisory duties. (Relevant education from an accredited college, university, trade or vocational school may substitute for up to two years of the general clerical experience)

OTHER REQUIREMENTS:

Licenses and Certificates: Some positions require a valid Arizona Class D driver license at the time of application. Failure to maintain the required licensure shall be grounds for termination.

Physical/Sensory Requirements: Some positions may require the ability to lift and carry up to 50 pounds. Any additional physical and sensory abilities will be determined by position.

This class specification is intended to indicate the basic nature of positions allocated to the class and examples of typical duties that may be assigned. It does not imply that all positions within the class perform all of the duties listed, nor does it necessarily list all possible duties that may be assigned.
