Soccer Spring Training Camp - Pima County Stadium District worked closely with the Football Club Tucson (FC Tucson) over the past six months to bring spring training soccer to Tucson. The FC Tucson club is based here. The team was established more than a year ago and will join the PDL (Premier Development League) for the 2012 season and continue to build a foundation for soccer in the Tucson market. FC Tucson along with two professional soccer clubs – the San Jose Earth Quakes and Sporting Kansas City – will conduct spring training practice sessions at the North Complex fields. Pima County Stadium District is proud to be part of this exciting opportunity and worked with the group to renovate the North Quad baseball fields by sodding infields, base paths, pitching mounds and home plates on four ball fields for the soccer spring training camp. The project took months but it's proved to be a great success, even the athletes are giving the grounds and clubhouse high scores!
