

# Get Out and Explore with the SD Kids Club!

Joining the Sonoran Desert Kids Club is a great way to spend time outdoors, make new friends and learn while doing fun activities with kids your own age.

The Sonoran Desert Kids Club (SD Kids) is open to children ages 8-12. Members are invited to the special "SD Kids only" events at Agua Caliente Park. Parents are asked to pre-register their SD Kids so the program leaders will know how many to expect for each event. The SD Kids Club meets from 9:30 a.m. to noon on the second Saturday of every month. SD Kids should come prepared for outdoor fun, science exploration, wild games and nature crafts. Please dress appropriately and bring water and snacks.

## Sonoran Desert Kids Club Calendar April – June 2012

Location: Pima County Agua Caliente Park  
12325 East Roger Road  
Time: 9:30 a.m. – Noon

The following programs are for children ages 8-12.  
Reservations required.

For more information and reservations contact:  
520-615-7855 or [eeducation@pima.gov](mailto:eeducation@pima.gov)

### EXPLORING AQUATIC LIFE

Saturday, April 14

Discover the diversity of life in the ponds at Agua Caliente Park. We use nets, skimmers and buckets to collect water samples and then watch the water come to life under the microscope.

### LIFE ON THE AFRICAN SAVANNAH

Saturday, May 12

Learn about life on the African savannah as compared to the Sonoran Desert. Try your hand at animal rock art.

### FIELD TRIP TO REID PARK ZOO

Saturday, June 9 • 9:00 a.m. – Noon

Reid Park Zoo, 1100 S. Randolph Way

NOTE: the time and location for this SDK program is different ... a special field trip event!

As a follow up to the May program, the club visits Reid Park Zoo. For starters there is a program from the zoo education staff on survival adaptations of African animals. Afterwards is time to explore the zoo on our own, including a look at and discussion on the zoo's jaguars. Parents of SDK members who are attending are invited to join the club for this field trip.
