*A little more information about **ACES***

1. To become a member of ACES you must attend 3 business meetings, (these do not have to be consecutive). Sign the GUEST REGISTER each time, at the next meeting (#4) you will be given an application for membership. Fill this out and turn it in; at the following meeting you will receive your membership card.
2. You do not have to be a member to sign up and attend activities. You do, however, need to sign up in advance for all activities you wish to attend and pay the accompanying fee.
3. Sign ups are not open until the month the activity takes place (unless otherwise specified) starting at 10am on business meeting day.

Important Notes

It is ACES policy, when attending an activity, to use small bills, have correct change and pay for each activity separately. If paying by check, please pay with a separate check for each activity. When we attempt to make change from different funds there is a possibility for error. We thank you for your understanding in this matter. If this ends up being difficult on the day of the meeting you may come to the office any time during the month to sign up for activities or to pick up a newsletter. There is a risk of some activities being full.
