**ATTACHMENT C – GUARANTEED COSTS**

**All items in Attachment C must be answered and returned with bid response.** Failure to not answer all items may be cause for rejection as non-responsive. Bidders shall fill in the following based on the equipment you are offering to Pima County per this solicitation. Items on this page may be considered in the evaluation and award.

**1. Guaranteed Maximum Cost of Repairs: (Refer to Attachment D)**

Each bidder’s response shall take into consideration the amount listed below for a “Guaranteed Maximum Cost of Repairs” The successful bidder will be fully responsible for the cost of repairs, including parts and labor in excess of the amount listed below. The Guaranteed Maximum Cost of Repairs will apply for a period of five (5) years or 5,000 hours of operation whichever comes first as recorded by the loader hour meter or the date of delivery. If the Guaranteed Maximum Cost of Repairs is exceeded, the Dealer shall reimburse the County for the excess amount. In determining the Guaranteed Maximum Cost of Repairs the total cost of warranty repairs (parts & labor) will not be included. Successful bidder will meet with Fleet Services on an annual basis, if needed, to go over any overages and reimbursement to County.

**Amount: \$2,000.00 per loader/tool carrier for 5 yrs/5,000 hrs.**

**2. Guaranteed Minimum Buy Back on the one (1) Wheel Loader / Tool Carrier:**

The County is requesting a guaranteed minimum buy-back offer for each of the new loaders at the end of the five (5) years or 5,000 hour period whichever comes first. The County reserves the right to retain the loader and to waive the guaranteed buy-back offer if deemed in the best interest of the County to do so.

**Amount: \$ \_\_\_\_\_**

**3. Guaranteed Minimum Buy Back on the four (4) 3.5 YD Bucket Wheel loaders:**

The County is requesting a guaranteed minimum buy-back offer for each of the new loaders at the end of the five (5) years or 5,000 hour period whichever comes first. The County reserves the right to retain the loader and to waive the guaranteed buy-back offer if deemed in the best interest of the County to do so.

**Amount: \$ \_\_\_\_\_ per loader**

**4. Guaranteed Repurchase Price**

1a. The Seller guarantees a Minimum Repurchase Price (trade-in allowance or a minimum bid at public auction) in the amount of \$ \_\_\_\_\_ up to the first \_\_\_\_\_ hours of operation as recorded by the hour recorder or \_\_\_\_\_ years from the date of acceptance of the equipment, whichever first occurs. **(1 ea - wheel loader w/tool carrier)**

1b. The Seller guarantees a Minimum Repurchase Price (trade-in allowance or a minimum bid at public auction) in the amount of \$ \_\_\_\_\_ up to the first \_\_\_\_\_ hours of operation as recorded by the hour recorder or \_\_\_\_\_ years from the date of acceptance of the equipment, whichever first occurs. **(4 ea - wheel loaders)**

2. In determining the Guaranteed Maximum Cost of scheduled maintenance, and in the enforcement of the provision of the agreement, the following rules shall apply:

- a. The guaranteed trade-in price on the equipment shall be allowed by the Seller in the event the County decides to purchase other new equipment from the Seller.
- b. The minimum bid shall be made by the Seller at public auction in the event the County elects to auction the equipment.
- c. In the event equipment, subject to the Repurchase Agreement, while in possession of the County is, by any casualty cause, either totally destroyed or partially damaged to the extent that the damage is beyond repair and is considered a total loss because of the cost of restitution, then the Seller is released from his obligation under the Guaranteed Repurchase provision of this agreement.

**5. Total Machine Warranty:**

Provide 100% parts and labor total machine warranty coverage for 5 years or 5,000 hours whichever comes first. Provide 100% field repair travel time and mileage coverage for minimum of **the first 12 months of the 5 year warranty period** at no additional cost to County. Provide 100% transporting of the loaders to the dealer, if needed for repairs in shop during warranty period **for a minimum of the first 12 months of the 5 year warranty period** at no additional cost to County.

**YES\_\_\_ NO\_\_\_**

**6. Loaner Replacement:**

If a loader cannot be repaired within 48 hours (**2 calendar days to include Saturday & Sunday**) while under the warranty period a compatible loader will be loaned to the County at no-charged including pick-up and delivery until the repairs can be completed and the loader is back up and fully functional.

**YES\_\_\_ NO\_\_\_**

**ATTACHMENT D – GUARANTEED MAXIMUM COST OF REPAIRS****A. GUARANTEED TOTAL MAXIMUM COST OF REPAIRS TO PIMA COUNTY**

1. The Seller will be fully responsible for the total cost of repairs, including parts and labor, to the equipment described in the Agreement after such repair costs are in excess of the Guaranteed Maximum of \$2,000.00 offered in the Seller's proposal. This obligation is specifically limited to 5,000 hours of operation as recorded by the engine hour meter or Five (5) years from date of acceptance of the equipment, whichever first occurs.
2. In determining whether the guaranteed total cost of repairs has been reached, the cost of all warranty repairs made shall not be included.
3. Prior to reaching the Guaranteed Maximum Cost of Repairs, the County shall be responsible for making repairs and the following rules shall apply:
  - a. In the event that the cost of repairs, including parts and labor, as estimated by the County, is less than \$2,000.00 the County shall have the right to have the repairs made in the County's shop and need not give notice to the Seller prior to the repairs being made.
  - b. In computing the cost of repairs, all County labor costs will be charged at the County's then prevailing rate. Present rate is \$75.00 per hour, increases not to exceed 20% per year. Parts shall be charged for at actual cost and shall be purchased from the authorized dealer for the original equipment manufacturer, if possible.
  - c. If the cost of repairs, including parts and labor, is in excess of \$2,000.00, as estimated by the County, the County shall submit to the Seller the estimated cost of the repairs, a detailed account of the work to be done and an estimated time for completion of said work. The Seller shall then submit his estimate of cost and time for completion on the work to be done. Such estimate shall be filed with the County not later than eight normal workday hours after Seller's receipt of County's estimate. The County and the Seller will then mutually agree on the shop in which the repairs are to be made. The lower of the two estimates and the time required to make the repairs will be the primary factors in determining which shop will perform the repairs. If the repairs are to be done in the County's shop, the cost of such repairs shall be computed on the same basis as that set forth in Paragraph 3.b. If the repairs are to be done in the Seller's shop, the repairs will be billed to the County at the Seller's then prevailing rate. County to transport.
  - d. County and Seller may agree that all or any portion of the repairs may be made in service shops other than those of the County or the Seller, if it is deemed advantageous to both parties.
  - e. Should delivery of repair parts by Seller not be made to the County within five (5) working days following receipt of order, a daily charge of \$500.00 shall be added to the cumulative cost of repairs for each working day over one (1) that the part is not delivered. Parts shall be ordered by part number. On the Seller's presentation in writing of verifiable information to County that parts are not available by reason of strike, natural disaster or national emergency, the daily charge shall not be enforced.
  - f. The Seller may, at Seller's option avoid the penalty set forth above in Paragraph A.3.e by supplying to the County, at no cost, a unit that is comparable to the loader needing repair, until the County's equipment is restored to service.
  - g. The Seller shall have the right to examine repair cost records at any reasonable time. The County will maintain records reflecting pertinent repair cost information and will make these records available for examination in a timely manner.
