ADDENDUM NO. 01

PROJECT: IFB 111098 – TRES RIOS WRF WEST PLANT PRIMARY CLARIFIER
EQUIPMENT REHABILITATION PROJECT No. 3IPC02

TO ALL CONTRACTORS:

Be advised of the additions, clarifications and/or changes to the above-referenced Invitation for Bid as stated in the following Addendum.

1. The County has revised the requirement for submission of the subcontractor list. In the Bid Documents package please replace Section 12 of the INSTRUCTIONS TO BIDDERS in its entirety with the following:

“SUBCONTRACTORS:

Pima County does not support post-bid price competition (i.e. “bid shopping”). To discourage “bid shopping” on construction projects, the apparent low bidder must submit, by 4:00 P.M. local time on the first full business day following bid opening, a list of all first tier subcontractors with whom the bidder intends to subcontract for more than one percent (1%) of their total bid amount. The list must be submitted on the form included in these bid documents and provide each subcontractor’s name, license number(s), type of work and the dollar amount of their subcontract(s). Failure to submit the required list by the deadline shall result in the bidder being declared ineligible for award unless the County determines it would be contrary to the County’s interests.

If the apparent low bid is nonresponsive or the bidder is otherwise ineligible for award, the County will notify the next low responsive and responsible bidder to submit their subcontractor list by 4:00 P.M. local time on the first full business day following actual notice of the requirement.

Submission of the subcontractor list shall constitute certification that the listed subcontractors will perform work on the project in an amount reasonably close to that stated on the subcontractor list. No subcontractor may be added or changed without the prior written approval of the County subsequent to review and approval by the Administering Department Director and Procurement Director. Substitution of non-SBE subcontractors may be approved at the discretion of the County for reasons including but not limited to, availability, insolvency or any other reason deemed to be in the best interest of the County. Approval for substitution of SBE subcontractors that are listed on the Bidders Statement of Proposed SBE Utilization submitted with the bid will only be granted if the provisions of Title 20.28.050 of the Pima County Code have been met.

2. On page 9 of the Bid Document, FORMS TO BE SUBMITTED WITH YOUR BID, remove the third bullet “LIST OF SUBCONTRACTORS”
3. In the BID DOCUMENTS package replace page 14 “LIST OF SUBCONTRACTORS” with the attached “LIST OF SUBCONTRACTORS (Rev. 10/31/13) (1 page)
