ADDENDUM NO. 2

SOLICITATION NO. 129840: DEMOLITION 9360 N. LA CHOLLA BOULEVARD

TO ALL PLAN HOLDERS:

Prospective bidders and interested parties are hereby directed to make the following changes to the solicitation for the above referenced project. This Addendum shall be incorporated and made part of the Bid Documents as though included therein. **This addendum is 1 page.**

CLARIFICATIONS/REQUESTS FOR INFORMATION:

- 1. Question:** It was noted at the Site Visit that the gravel driveway that enters the property from La Cholla had survey stakes placed several feet to the north of the south CMU driveway wall. Does this indicate that the south driveway wall is off the property? If so, is the south driveway wall excluded from demolition? If not, and the wall is to be demolished, was the lineal footage for the south driveway wall already included in the bid document totals?

Answer: The majority of the south CMU driveway wall is off the property and is excluded from demolition. There is a small portion (approximately 85') of the south CMU wall that is a part of the demolition (as noted in the scope of work in the solicitation on page 26) and is accounted for in the bid schedule total.

- 2. Question:** Was the pre-bid site visit mandatory? I was unable to attend the pre-bid site visit. Will there be another opportunity to visit the site, or is the site open for inspection?

Answer: No, the pre-bid site visit was not mandatory. No, there will not be another opportunity to visit the site, and there is no access to the site for inspection. Photographs of the site conditions and key elements have been provided as part of the solicitation package and Addendum 1.

All other requirements and terms of the Solicitation remain unchanged. Respondents are required to certify receipt of this addendum in their Bid For Demolition. Failure to do so may result in declaration of the bid as non-responsive.

This Addendum 2 addresses questions received from 5pm, March 12, 2014, through 5pm, April 7, 2014, and clarifications initiated by the District. All questions shall be addressed in writing to Mark Koskiniemi, Contracts Officer, email mark.koskiniemi@pima.gov or fax number 520-724-4434. **Questions received after 5pm, April 10, 2014 may not receive a response.**

/s/ Mark Koskiniemi
